

Environmental Awareness

Are you creating waste, causing pollution, or using energy?
How can you reduce this? How can you make a difference?

Reduce Water Usage

Cut 3 minutes off your shower time

Start Litter Picking

Get Involved in Community Projects

Reduce Energy

Switch appliances and chargers off from the wall

Reduce Fuel

Car share, walk or cycle to work

Decorate with Plants

Donate to Charity

Reduce Waste

Reuse materials before recycling or throwing them away

Reduce Plastic

Use a stainless-steel, chemical free, reusable water bottle

Use 'Green' Cleaning Products
